

**3. The student must then log in before starting the contest. The student must first enter your individual access code.**

**Click the button behind I wrote down my Access Code and continue.**

The screenshot shows the 'Contest Login' interface. At the top, it says 'Contest Login'. Below that, there is a text input field labeled 'Enter Your Access Code: \*' containing the code '2021C4R1B0US'. A list of instructions follows: 'Your Access Code is 12 characters long, eg. 2021C4R1B0US.', 'You must use the same Access Code for every contest in this Caribou Cup (Oct-May).', 'After the 2nd contest day, sign in with your Access Code to see your results.', and a link 'Have a problem with your Access Code?'. Below the instructions, it says 'Please write down your Access Code so you will not lose it.' and shows an illustration of a notepad with '2020C4R1B0US' written on it and a pencil. At the bottom, there is a checkbox labeled 'I wrote down my Access Code. \*' which is checked, and a 'Continue' button.

Students will use the same access code throughout one school year.

If a student has logged in or written a contest this year already, you must enter the same access code.

**If this is the first contest written with this access code, the student will be asked to confirm contest grade level and enter access code again.**

The screenshot shows the 'First Contest for this Access Code' interface. At the top, it says 'First Contest for this Access Code'. Below that, it says 'Your Contest Level: You are in Grade 3/4.' and 'If this is wrong, select the correct grade in the drop-down menu before you submit.' There is a dropdown menu labeled 'Select contest grade level: \*' with 'Grade 3/4' selected. A 'Please note:' section follows with three bullet points: 'You may not participate in a contest level lower than your school grade.', 'You may not change your contest level after your first contest.', and 'You may only participate once per contest (in 1 level and with 1 Access Code).', with a link 'Questions about Grade Level?'. At the bottom, it says 'Click 'Submit Grade' to confirm your grade. You will then need to re-enter your Access Code.' and a 'Submit Grade' button.

4. Then the student will be prompted to enter your first and last name and agree to contest rules before continuing.

**Contest Login**

Your Access Code: 2022C4R1B0US

First Name \*

Last Name \*

---

School: Caribou Virtual School  
Language: English  
Contest: Caribou\_Oct\_13\_2021\_Grade\_3\_4

**Contest Rules**

- You have 50 minutes to complete this test.
- Calculators are not permitted (online or otherwise). We recommend pencil and paper.
- Cell phones, other webpages, other applications and any other communication devices are not permitted.
- You must not talk about the contest content until the results are announced.
- You are to write the test by yourself.

I agree to these rules. \*

**Important Instructions**

- To navigate, use the Next Arrow and Question Links. Do not use your browser's Back Button.
- Your test will end after 50 minutes. If your computer or browser crashes, you can log in to resume your test.
- If you lose time due to technical problems, your Caribou Coordinator (teacher) can help you.
- If you finish early, you can end your test. You will not be able to resume the test if you do this.

Please Note: Enter your first name and last name twice. Check if you enter the information correctly. If you find that you could not log in, please try to enter your name in capital, your Chinese name, or your Chinese name in pinyin, or other alternative name.

5. Once the contest questions are opened, the student has 50 minutes to complete the test. There is a timer in the upper left corner so the student can see the time remaining.

Questions and options appear in random order so it is normal that two students do not have exactly the same test.

6. When a student makes a selection, that selection is saved and submitted automatically. The message **“You have answered this question.”** appears by the Next Arrow.

**Grade 3/4 Mathematics Contest 16-10-2019**

---

**Question 6 of 12 (4 points)**

If six days ago was a Tuesday, what day will it be eight days from now?

a.  Sunday

b.  Monday

c.  Tuesday

d.  Wednesday

e.  Thursday

f.  Friday

g.  Saturday

Time left: 58:51  
complete: 1/12

Question ▾

You have answered this question.

If the student wishes to change your answer, you must simply select your new answer. Please Note: Question number will turn to green if you answer that question and submit successfully.

**7. To end the contest, the student must click “End test”. If time runs out, the test ends automatically.**

Before ending the contest, the student should make sure you’ve submitted your answers for all the questions. A bad internet connection can stop a student’s selections from being saved.

Even if the student does not manually end the test, all your selections are saved and will be submitted automatically when the 50 minutes run out, or after 30 minutes of inactivity.

**8. To keep the contest fair, it is prohibited for students to interact during the exam, to do research on the internet, and to use a calculator. Students may use a pencil and paper for rough work.**

**9. After exam, you will see the reminder as below.**

#### **Thank you for participating**

Your test is complete. You can check your results on Thursday night, after the test is marked.

Your test ended because: You ended your test.

Did you know that ...

- ... the interactive question and if there is a history question then its topic are always announced 2 weeks before each contest in a news item on our home page? You can practise the games on the games page where hints are given under 'Some food for thought' how to win the game or solve the puzzle.

You can enter an email address to be informed about future contests, for example, about the next interactive question. Your email address will not be used for any other purpose.

**10. Contest results will be available after the end of the contest all around the world.**

Students can log in to see your results, print certificates, and view written solutions if these have been purchased.

To view your results, students will need to sign in (with your first name, last name, and access code).

## Caribou Contests: Results & Certificates

Follow the instructions given below to view contest result and download certificate.

### LOG IN

1. Go to <https://cariboutests.com/>
2. Click “Students” - “My Contest Results & Certificates”

3. Enter your first name, last name and individual access code.

Students & Parents can sign in here to see account information, contest results, and access purchases.

To view results and print certificates for previous years, sign in with your Access Code from that year.

If you organize the contests and are looking for your students' results, go to [Caribou Coordinator Sign In](#)

### Student Sign In
