

亲爱的考生及家长：

强烈建议家长全程配合监考，保证考生考试期间，不作弊、不查阅任何考试相关材料，遵守考试规则，顺利完成考试。同时整场考试期间，移动监考设备务必始终出现考生答题画面。经核查，如监考画面出现长时间（超过 5 分钟）黑屏，将取消考试成绩。

Dear challengers:

To ensure the fairness of the exam, the Committee requires all online exam participants to upload photo of their ID card or passport. After verification, if the uploaded photo is inconsistent with the examinee, the exam result will be canceled directly. It is highly recommended that parents can play the role of proctor so that examinees complete the exam fairly. During the exam, the examinees must always appear in the proctoring screen. If the Tencent Meeting disconnected more than 5 minutes, the Committee have the right to determine the exam result as invalid.
