2026 年英国物理测评（BPhO）中国区名额限制和分配规则说明

各合作学校老师和同学：

近年来，英国物理测评（British Physics Olympiad，简称 BPhO）日益受到各国中学生欢迎，全球参加人数不断增加。因 BPhO 试卷需要寄回英国牛津大学物理系由专业学术人员进行人工评卷打分，所以其能够承载的全球考量十分有限。中国区合作方阿思丹香港（ASEEDER）接到 BPhO 组委会通知，2026 年中国区 BPhO 参加名额将严格限制为 3500 个考位，名额有限，报满截止。2026 年 BPhO 名额分配规则如下：

1. 第一批优先分配名额（2026 年 8 月 1 日报名截止）：

（1）2026 年参加英国物理测评（高级）SPC 获得**全球金奖及银奖**的同学或参加 SPC Online 获得**全球金奖**的同学；

（2）2026 年参加英国物理测评（中级）IPC 或 IPC Online 获得**全球金奖**的同学。

2. 第二批分配名额（2026 年 9 月 1 日报名截止）：

第一批优先分配名额报名后有剩余名额将开放给：

(1)2026 年参加英国物理测评(高级)SPC 获得全球铜奖的同学或 SPC Online 获得**全球银奖及铜奖**的同学；

（2）2026 年参加英国物理测评（中级）IPC 或 IPC Online 获得**全球银奖及铜奖**的同学。

3. 独立分配名额（100 人）：

2026 年参加英国物理测评 Round 0 超过特定分数线的高分同学。

4. 剩余分配名额：

独立分配名额报名完毕后，若还有剩余名额，按照先报先得的原则进行分配，报完截止。若没有名额，将不再开放报名。

特此说明！提醒各合作学校和学生早做规划和准备，感谢您的理解与支持！

阿思丹香港(ASEEDER)

Important Notice on Quota Allocation for 2026 BPhO in China

Dear Teachers and Students of Partner Schools,

In recent years, the British Physics Olympiad (BPhO) has grown popular among global middle school students with rising participants. Manual marking of BPhO papers by the Department of Physics, University of Oxford places strict constraints on the event's global participant quota. ASEEDER, the organizing partner for BPhO in China has recently been informed by the BPhO Committee that the number of BPhO participants in China will be strictly limited to 3,500 seats in 2026. The rules for the 2026 BPhO are as follows.

1. First Batch of Allocated Quotas (Registration deadline: August 1, 2026) :

(1) Students who have won a global Gold award or Silver award in the Senior Physics Challenge SPC, or a global Gold award in SPC Online in 2026;

(2) Students who have won a global Gold award at the Intermediate Physics Challenge IPC or IPC Online in 2026.

2. Second Batch of Allocated Quotas (Registration deadline: September 1, 2026) :

After registration for the first batch, any remaining places will be available to:

(1) Students who have won a global Bronze award in SPC in 2026, or a global Silver or Bronze award in SPC Online;

(2) Students who have participated in IPC or IPC Online in 2026 and won a global Silver or Bronze award.

3. Independent Allocated Quotas (100 places):

Top-performing students who take the British Physics Olympiad Round 0 above a specific cut-off score in 2026.

4. Remaining Allocated Quotas:

After registration for the Independent Allocated Quotas is completed, if there are any remaining places, they will be allocated on a first-come, first-served basis until all places are filled. If there are no available places, no more applications will be accepted.

We also remind teachers of our partner schools to plan and prepare early, and thank you for your understanding and support!

ASEEDER
