

Tencent Meeting (VOOV)

- According to the Online Instruction, join the Tencent Meeting (VOOV) at expected time on [Preset Camera Position] session and official exam. Click [join audio] and [start video]. You are not allowed to open Blur Backgrounds and Head Tracking. Clearly read the content on screen-sharing. Be sure to correctly show your entire surroundings.

Light

- With the light coming in sideways, your **facial expression, hands and upper body** are clearly visible.

Desk

- Only the **allowed items are at hand**; putting other items on the desk, whether discovered during the examination or afterwards, your result will be considered as invalid.

Others

- **Power supply and internet cable** are plugged in.
- Other than special circumstances, mobile phone as proctoring should always be **out of your reach** during exam.

Warning

- If a source of light shines directly into the camera, you will **NOT BE VISIBLE!** And your result will be considered as invalid.
- If your mobile phone as proctoring is too close to you, your **upper body, computer screen, desk** will **NOT BE CLEARLY VISIBLE!** And your result will be considered as invalid.
- If you wear headphones or mask, block the camera, your result will be considered as invalid.
